LOT 925 - John Deere L125J Skid Loader

Description

Continental 4 cyl gas, 37 hp, 1645 hrs shown, 1325 lb rated lift capacity, 62" bucket, 66" snow bucket, pallet forks, auxiliary hydraulics, clean, runs good, loader operates as intended. Ervin made the wood cab enclosure shown in the photos. The original, metal side screens for the cab are also included. There is also a homemade cab door but the grab handles currently attached to the cage need to be removed in order for the door to be attached. Click the "Documents" tab to view an owner's manual downloaded off JD website. Overall good unit. SN: 120105M
